

*Xplorisk Ltd.* is committed to making our website, *nominis.io*, accessible to all users, including those with disabilities. We strive to provide an inclusive and barrier-free experience, ensuring that everyone can access our content, resources, and services.

## **Accessibility Efforts**

To achieve this goal, we follow the best practices and standards defined by the World Wide Web Consortium (W3C) Web Content Accessibility Guidelines (WCAG) 2.1, aiming for conformance to Level AA. Our efforts to improve accessibility are ongoing, and we are continually enhancing the user experience for all visitors by implementing relevant improvements.

## **Measures to Support Accessibility**

To promote accessibility, we take the following measures:

- **Regular Monitoring and Testing:** We periodically assess our website's accessibility through automated tools and user feedback to identify and fix issues.
- **Design Considerations:** We use clear and consistent layouts, easy-to-read text, and sufficient color contrast to aid readability.
- **Navigation Features:** We have implemented keyboard-friendly navigation to allow users to browse our content without the use of a mouse.
- **Text Alternatives:** We strive to provide alternative text descriptions for non-text content, such as images and multimedia, where feasible.

## **Limitations and Alternatives**

While we are committed to improving accessibility, there may be areas of our website where full accessibility has not yet been achieved. In such cases, we encourage you to reach out to us for assistance or alternative formats.

## **Ongoing Improvements**

Accessibility is an ongoing effort, and we are actively working to maintain and improve the accessibility of *nominis.io*. As standards and technology evolve, we are committed to reviewing and updating our accessibility practices to ensure compliance and meet the needs of all users.

## **Feedback and Contact Information**

We welcome feedback on the accessibility of our website. If you encounter any accessibility barriers or have suggestions for improvements, please contact us at:
